

# PINO CELLARS

2016  
ROSÉ OF PINOT NOIR  
OREGON

NO PRETENSE,  
JUST GREAT WINE!™

## VINEYARD NOTES:

2016 was a gracious year for Oregon grape growing. A warm summer and dry fall guaranteed the grapes would reach full ripeness, unscathed by rain.

The grapes for PINO Rose of Pinot came from the Willamette Valley in Oregon.

## WINEMAKER NOTES:

The fresh grapes were gently handled in the winery by directly pressing the whole clusters to achieve a delicate fruit flavor and a lightly colored juice. Cold fermentation preserved the exquisite characteristics of the wine.

## TASTING NOTES:

A wine with soft pink color exhibiting flavors of strawberry, cranberry, and raspberry. The natural, crisp acidity promotes its appeal with a broad range of foods.

## SUGGESTED FOOD PAIRINGS:

Fried chicken, shrimp scampi, curried lamb and rice, salade Niçoise, quiche, Indian, Mexican, and Thai cuisine.
