

# CELLAR FOUR 79

## CALIFORNIA CHARDONNAY

### Winemaker Notes:

Gentle processing of the grapes coupled with a cool fermentation preserved the wonderful essence of the Chardonnay grapes. There is plenty of golden delicious apple, fresh fig, and pineapple in the flavor. The balanced acidity provides a refreshing, long finish.

### Food Pairing Suggestions:

This Chardonnay has a lot of character and pairs especially well with grilled pork chops, Boston clam-chowder, and chicken and dumplings.
