CALIFORNIA PINOT GRIGIO

Winemaker Notes:

The clone of Pinot Grigio grapes we grow in our vineyards allows winemakers an opportunity to exploit the varied characters of this grape. Flavors are wide ranging and include honeydew melon, kiwi, apple, and a hint of anise.

Food Pairing Suggestions:

This Pinot Grigio has a lot of character and pairs especially well with poached sea bass on a bed of steamed spinach, veal scallopini, pan-seared scallops.
