Description: This Riesling grows on the steep slates slopes of the well-known *Enkircher Steffensberg*. The grapes come from more than over 30 year old vines and are perfectly ripe when hand-picked with a low yield. An aromatic nose with expressive fruit like apricot and peach, candied lemons, white lilies and hints of mild herbs. Beautiful balance of sweetness and acidity, delicate and elegant with a nice length.

Food Matches: Great with Asian food like a light Thai curry, Sushi but also nice with ripe cheeses like Brie.
