

A NEW TASTE

INFUSION

Low-alcohol white wines infused with tastes of graviola and ripe passion fruit, pomegranate and rose, peach and mango. A bubbly wine with fresh fruity aromas on the nose, following through to a full middle-palate, finishing in crisp freshness. Arniston Bay Infusions can be enjoyed now and will keep well for 3 years from vintage.

Available in bottles of 750 ml
and cases of 6x750ml

Fermented in stainless steel tanks
and blended with natural tastes
