

Romeo & Juliet. Prosecco Rosé Doc Extra Dry 2019

Prosecco Rosé responds to two of the top international wine trends increased appreciation for both Prosecco and Rosé. A combination of factors including 10% of Pinot noir cultivated at 1,500 feet in the hills around Conegliano, lower yields and a Charmat method of 60-day duration contribute to produce a wine with elegant and persistent bubbles, and pleasant yeast-impacted and bread crust notes.
