

(L+i)

ROSÉ OF PINOT NOIR

(L+i) = Li, which in Chinese Confucian philosophy refers to the order of flow; the wonderful dancing pattern of liquid. The label artwork, Thumbprints, represents all of us whose spirit and work create this wine.

No pretension. No snobbery. The perfect guest to take to a pool, beach, or on a boat ride. A beautiful dark blush bursting with red cherries and wild strawberries that finishes dry and balanced.
