

Prosecco Brut Rosé DOCG, 2019 Veneto, Italy

Wine Details

After years of discussion, new rules allowing for pink Prosecco have finally been approved. The approval of Prosecco Rosé positively responds to two of the top international wine trends - increased appreciation for both Prosecco and Rosé. Charmat Method – 60-day secondary fermentation.

Vineyards

Veneto Region, Italy

Tasting Note

The elegance of Glera enhanced by the structure of Pinot Nero. This Prosecco Rosé has a coppery color and a refined bouquet. The palate is fresh and fruity with attractive scents of raspberries. It is a vivacious and fresh wine that is versatile and quaffable, suitable for all occasions.

Food Pairing

Pair with crab, lobster and shellfish or to sip alone as an aperitif.
